WILD HUB

THE **WILD HUB PREMIUM COMMUNITY** ON **NAS.IO**

NETWORK | LEARN | EARN | GROW

These are the four pillars of our community.
Build Your Network, Master Your Skills, Earn Revenue,
and Achieve Your Wildlife Dreams.

AWPC WILD HUB PREMIUM

WILD HUB Premium is the affiliated community partner of **AWPC WILD HUB**, developed in collaboration with **NAS I.O** to build a vibrant global network connecting wildlife photographers, filmmakers, content creators, travelers, expedition leaders, professionals, brand builders, service providers, and enthusiasts across Asia and beyond.

AWPC WILD HUB proudly introduces its premium community to strengthen this global connection.

WHAT WE DO ON WILD HUB PREMIUM

MONTHLY ONLINE EVENTS / WORKSHOPS

We organize monthly online events exclusively for our audience. These members-only event series feature expert-led sessions designed to help our members monetize their passion. Through in-depth training on various topics, our members can learn how to earn, network, and grow in the industry.

ONE-ON-ONE EXPERT ACCESS

We offer paid slots for one-to-one discussions with highly selected experts from various segments. This gives our audience direct access to valuable knowledge, experience, Q&A sessions, and general discussions on topics of interest. We let them enjoy easy access to experts through our community platform.

MONTHLY EXCLUSIVE VIDEO CONTENT SERIES

Each month, we release exclusive video content featuring expert insights to support and enhance our members' wildlife-focused passion.

EXCLUSIVE BENEFITS OF AWPC WILD HUB

Our community members enjoy additional benefits, such as applying for fully sponsored tours and joining exclusive wildlife expeditions organized by the AWPC WILD travel team. Members also receive exclusive documents with tips and other valuable information.

EXCLUSIVE ONLINE COURSES

We let our members learn from industry experts and gain in-depth knowledge to turn their passion into profit. Our curated courses cover a wide range of topics.

Are you the **expert** we need?

We're seeking professionals in wildlife, ocean life, conservation, travel, tech, e-commerce, digital marketing, eco-businesses, nature- centric brand founders, storytellers, and more. If we've contacted you, it's because we believe you're essential to our mission.
