IT'S Q & A TIME

Why should I join the WILD HUB Premium community on Nas I.O?

WILD HUB Premium offers **highly targeted niche content** and **valuable opportunities** for networking, learning, earning, and growth – empowering you to **turn your passion into profit**.

What makes this community stand out?

With a small access fee, you gain access to a range of exclusive facilities and benefits. You'll have the opportunity for direct one-to-one sessions with experts, participate in online events and workshops, and join wildlife tours. Unlike many other wildlife communities, we offer you the freedom to choose additional products or services while also receiving free monthly content.

Can I purchase just the first month?

Yes, you can select a one-month plan initially. However, after the first month, you will need to either upgrade to a 3-month plan or 12-month plan.

Can I get a refund after payment?

No, payments are non-refundable. Nas I.O manages all financial transactions on behalf of AWPC WILD HUB Premium, and refunds are not available. For memberships, you will have access until the end of your subscription period. For other products, refunds are also not applicable.

Is there an extra charge for additional items?

Your membership covers entry and access to the group. However, other premium content is available at a special discounted rate.

Do you provide recordings of online events / meetings?

No, recordings are not provided. Participation is available only at the scheduled time.

Our Advice

Please carefully review all the information before proceeding with any payments. Once a payment is made, it is final and non-refundable.
